Survey update To be continued...

PSA and Community Calendar information sharing. A letter was sent to the Station Manager and there was a conversation with to Frank from the First Voice Apprenticeship Program at the Outreach meeting about community calendar and PSA announcements. Carol sent the letter following through with our CAB decision, at the February 16<sup>th</sup> meeting. The letter asks that the Station Manager help to arrange for all relevant requests about community based events for community calendar and PSA announcements to be sent from the First Voice Apprenticeship Program and/or with the help of volunteers to all KPFA Programmers as well as a member of CAB and the Outreach committee in an email.

This concern came out at SJ meeting's where listeners spoke about the need to have more information from the community on air. First Voice Apprenticeship chooses which announcements and only a few get on the air

No new Community feedback

No new information about program changes.

Next meeting is Sunday April 13 for 11 am at KPFA. Changed because of Easter holiday
