KPFA is required to offer equal opportunity for all candidates on our air. In keeping with the FCC requirements and the general principle of fairness to candidates and to our audience, KPFA has adopted the practice of inviting all candidates for a particular public office onto an interview or other program. Please fill out this form describing when candidates are given airtime, what attempts were made to get opposing candidates, when and for how long other candidates are on, and if you have been contacted by candidates for airplay.

Please give this form to the Program Director (Box 47)
