RESOLUTION REGARDING EXCESSIVE PAYMENTS
TO PACIFICA NATIONAL OFFICE BY KPFA

MAY 5, 2012

Whereas KPFA recently has been required to transfer large sums of money to the National Office to cover expenses of other stations or for other network expenses, and

Whereas this threatens the ability of KPFA to meet its own financial obligations, including not only current expenses but also the prospect of accumulating needed reserves,

The KPFA LSB resolves to direct the IGM to refuse approval for further payments such as those made in April 2012: \$60,000 on 4/6, \$40,000 on 4/16, and \$15,500 on 4/27, until such time as a sum is legitimately due to cover (only) KPFA's central services obligation.
